TAX COMBINE/UN-COMBINE REQUEST FORM

This form is to consolidate the Auditor's tax information and, in turn, produce one tax bill for multiple parcels with alike qualities (listed below) for efficiency and convenience. **This form does not alter legal descriptions or deeds of record and will not remove existing property lines of record.**

To request the tax combination of multiple parcels for tax purposes, the following criteria must be met:

- All parcels below must be contiguous
- All parcels below must have identical ownership of record
- All parcels below must have coincident tax mailing addresses
- All parcels below must carry the same tax status (i.e. all taxable, all exempt, or all participate in the CAUV program)
- All parcels below must have coincident legal descriptions (i.e. all lots, or all acreage)
- All parcels must be free of tax liens and delinquent taxes.

Enter the parcels numbers to be combined in the box below. To un-combine previously tax combined parcels, enter the parcel number below and please provide details under 'instructions' including pertinent information.
