

MOTION TO WAIVE MANDATORY SUSPENSION

CASE NUMBER _____

NAME _____

*** This Motion must be submitted prior to your final hearing. Juvenile Traffic Offenders requesting a waiver of a mandatory suspension on a 2nd or 3rd moving violation must complete the mandatory six (6) hour traffic safety course certified by the Ohio Bureau of Motor Vehicles. ***

Please list the reasons why a mandatory suspension **seriously affects** your ability to continue employment, educational or vocational training, and/or treatment:

By submitting this Motion, I/We understand that the juvenile's license may still be subject to a suspension. I/We understand that the filing of this motion does not mean it will be granted. I/We understand that the Juvenile Traffic Offender may also be subject to additional fines, court costs, and points assessed to the driver's record. By submitting this Motion, I/We certify to the Court that the Juvenile Traffic Offender has completed the six (6) hour traffic safety course as certified by the Ohio Bureau of Motor Vehicles.
