

Non-Emergency Transportation (NET)

They provide transportation to Medicaid-covered medical appointments for customers who are open on Medicaid.

How it works

NET is transportation service offered by the state for Medicaid recipients. It is available through Stark County Job & Family Services (SCJFS).

This Service offers transportation to Medicaid providers within Stark County. If you require transportation to a provider outside Stark County, you must provide a doctor's referral to explain why treatment at this location is needed.

How much does NET cost?

Non-emergency transportation is provided at no cost to you. The cost of the transportation is covered by the state through SCJFS.

What are my transportation options?

NET participants have two transportation options:

Fixed Bus Route

You, or your authorized representative, can pick up a SARTA fixed-route bus pass at SCJFS Human Services, 221 3rd Street SE, in Canton. You can also request that a bus pass be mailed to you. NET requires at least 10 days advance notice in order to mail SARTA fixed-route bus passes.

Curb-to-Curb

Curb-to-Curb transportation services are provided by SARTA Proline, ABCD Dial-A-Ride, Koala Kruizers and ReliaRide. If you use NET, and are in need of curb-to-curb transportation, you should not contact SARTA Proline, ABCD Dial-A-Ride, Koala Kruizers or ReliaRide directly. Instead, contact NET to make arrangements. Advanced notice of three-to-five business days is required for NET staff to schedule curb-to-curb transportation.

Other transportation options

In some very specific and limited situations, NET will allow for client reimbursement for other transportation services.

If, as a NET user, you qualify for this option, you will be sent forms to give to your provider (doctor, dentist, eye-doctor, etc.) to sign. These forms are to verify you have attended your scheduled appointment(s).
