STARK COUNTY DECLARES APRIL AS CHILD ABUSE PREVENTION MONTH

Canton, Ohio - Stark County Commissioners Richard Regula, Bill Smith, and Alan Harold have declared April as National Child Abuse Prevention Month. The Commissioners presented a proclamation on Wednesday, April 9, 2025 to Stark County Job & Family Services' executive director, Jerry Coleman.

National Child Abuse Prevention Month is recognized to raise awareness about child abuse and strengthen families. Child abuse and neglect are serious problems affecting every segment of our community. In 2024, Stark County received 7,979 reports of abuse or neglect through the Division of Children Services' abuse hotline. The reports resulted in 2,537 cases requiring assistance or intervention.

Children who have been subjected to abuse and neglect may develop long-term psychological, emotional, and physical effects. Prevention and awareness efforts can help children succeed by encouraging families to build safe, stable, and nurturing environments.

If you are concerned that a child is being abused or neglected, please call (330) 455-KIDS (5437) and ask to speak to a referral specialist. The line is open 24 hours a day, 365 days a year.
