

Infrastructure & Public Facility Projects

Utilizing Area Benefit

Infrastructure and public facility projects which are looking to use the eligible low-to moderate-income area benefit should take the following steps:

1. Locate the project location utilizing this [US Census map](#). Enter your project location in the top left search bar.
2. The project location will be highlighted in blue. Click on your project location. A box will appear which will display the census tract and block group:

This project is in census tract 7001.00 block group 2.

3. Utilize the attached pages to search for the census tract and block group to verify the low-to moderate-income (LMI) percentage. The LMI percentage for this project location is 92.90%. A project must have a percentage of $\geq 42.20\%$ to be eligible. *NOTE: Generally, this percentage changes annually. Projects can fall out of eligibility.
