

Stark County Building Dept.

Residential Swimming Pool Information

1. We issue electrical and mechanical permits only. Mechanical is for a gas line to a gas heater.
2. Make sure to obtain your local zoning approval and Stark County health dept. approval, if on septic. We will need copies of these items, before we issue a permit.
3. If a contractor is doing either of these trades, they need to pull the permit and be registered with our department.
4. If a homeowner is doing their own work, they need to fill out all paperwork and also the Homeowner Exemption form.
5. Fees are as follows: In ground Pool - \$200.00 Above ground Pool - \$100.00.
6. Please contact our electrical and mechanical inspectors, for information on inspections or codes. They can be reached 8:00 am -8:30 am, Monday – Friday. 330-451-1770
