Key Points Discussed			
Agenda Item/Topic	Highlights/ Discussion	Outcome/ Assignments	
Welcome – Kay • Introductions • Approval of March 23rd minutes		• Terri move to approve minutes from March meeting. Second by Leslie.	
Health Improvement Summit – Kay • Review of evaluation • Committee input? • Thoughts for next year?	• Great turnout for Summit. Highest attended. • Results of feedback from Summit: • 68 participants completed survey, almost 50% of attendees.	• CHW panel was great and Cindy thanked committee and CHNA for allowing CHW and Peer Support Specialists to participate.	

Meeting Minutes

	• Can still complete feedback until fourth of July. • Generally, people felt satisfied or very satisfied with the Summit. • Overall rating of experience of presentation topics was 4.4 out of 5, speakers was 4.5 out of 5, panel discussion 4.7 out of 5, and location ranked 4.7 out of 5. • All speakers and presentations ranked at 4.5 or higher out of 5. • Total around 144 attendance. • Most attendees expressed they would attend again. • Feedback was good, more interactions and activities suggested and include more community members. • In the feedback, had several organizations sign up to help with 5 topics that were voted and decided on at the Summit to move forward with work on.	• Does Kent Stark have capacity to have more attendees? They do have more room for us to grow there. registration for management of budget. • As we continue to move forward and expand, look into having separate rooms to accommodate those who want interactive sessions and those who do not prefer to interact to accommodate preferences. • First Christian Church on Market Ave could be another option. Have looked into them in the past but they tend to fill up their schedule quickly.
2023-2025 CHIP Planning/Strategic Priorities-Kay/any member	• Focused on CHIP and have multiple strategies that are pulling in different areas and agencies.	• Dr. Mader will be chair of the Digital Health Platform strategy.

Meeting Minutes

• Strategic priorities from Health Summit- next steps • CHIP plan finalized	• Summit helped to pull in priority strategies for agencies to try to really make changes. • Next steps to create action plans to move forward with making changes with these strategies. • Goal is to look at 5 strategies and begin to have planning around objectives and strategies within those 5 areas. • Looking for chair and co-chair of each of those priorities so we can work simultaneously and bring them together. • Dr. Mader will be working with her team and looking to get funding for the digital health platform. • Looking to start getting committees organized and up and running in July and August. • CHIP report finalized long term objectives. Gives an overview of what we will be working on in this cycle. • Finalizing the CHIP strategies soon and send out prior to next meeting to be able to review. • Evaluation report for 2022 being completed.	• No cell-phone use in schools- looking for representation from schools. Reaching out to someone in Canton City School District to help with this committee. Patty Fetzer suggested to help find someone in the schools. Terrance Jones at Canton City Schools suggested as contact. • Formalized partnerships between Behavioral Health providers and medical offices. Eric interested in being part of it. Amanda and Ashley from Alliance Family Health Center interested in assisting with committee. • Guaranteed funding for addressing non-treatment barriers for Behavioral Health Access. Cindy Linger and Kay Conley volunteered to work on committee. • Behavioral Health Support for School Staff within their districts. Kristen

Meeting Minutes

		Sedmock suggested as contact to reach out to at Canton City Schools Alternative School. • George Lancaster at Canton City Schools also suggested as contact for either of the committees related to schools. • Eric suggested Jerry Weber, counselor who goes into the schools. Could be a good contact for either of the School related strategy committees. • Amanda suggested reaching out to Superintendents at schools to get them involved. • Meet with chair and co-chairs of committees to ensure process is similar for each committee. • Mary Helen suggested involving community members on the committees that were involved in the strategy selection process.

Meeting Minutes

2022 Evaluation Report- <i>Kelly</i>	• Kelly working on drafting emails to send out. Emails sent out beginning of July and get all information needed back by August. • Have report ready for September meeting.	• Looking into online system to utilize for feedback. Trying to simplify reporting process. • Useful to know what we have accomplished through the work we have done previously. Utilizing Clear impact system and able to link that to Health Department website so public can see it in real time.
Announcements/Updates- <i>all</i>	Alliance Family Health Center: Gave a big update on what Alliance Family Health Center is accomplishing at the Health Summit. Hopefully have pharmacy open by November. Working to enhance behavioral health program. North Canton Medical Center: Support Dr. Mader's initiative to get a digital Health Platform. Recommend to group 2023 Health Dashboard published by Health Policy of Ohio. Send out to group to have information. CRAHEC: Full cohort of 30 scholars for this summer. Working with Canton City Public Health.	

Meeting Minutes

	Domestic Violence Project: Focusing on housing and transitional people and emergency housing. Building partnerships around that. Working with Aultman foundation on strangulation assessments and making sure we can identify strangulation or TBI clients early. Cleveland Clinic Mercy: Cleveland Clinic Mercy is working to improve care giver well-being through cultural changes around stress and the healthcare system. Mercy is interested in hosting annual poverty simulations for community agencies within Stark County. Mercy will be hosting a number of different events and activities throughout the summer from Christmas in July, lunch and learns, pop up grilling locations and a Kick Start soccer camp for 3rd and 4th graders. Cleveland Clinic Mercy participated in a cereal drive and collected over 4,000 boxes of cereal. Contact PJ at chavezp@ccf.org if interested in receiving boxes of cereal to distribute to the community and for more information on any of the summer events/activities.
